Hi Mayur,

Thanks for letting me know. The course runs fully online and is asynchronous (no live meetings on zoom). You'll be able to keep up with your work remotely, so make-up assignments won't be needed. However, if you don't expect to have access to internet, you'll need to plan ahead.

On a related note, sometimes students on visas have requirements about how many online courses they can take. Please make sure you won't have issues being enrolled in an online only course.

Saludos,

Subject: MS967393: Regarding LNC 105-01

Good Afternoon Professor,

I am currently enrolled in LNC 105-01 during the Fall Semester.

Due to circumstances, I am under the transition of changing my visa status from a H-4 to a F-1 visa. For this I need to go back to my home country and get it changed. This is urgent and the only available slot/appointment time for this is between August 29th and September 10th. Due to this I am going to be missing the first few weeks of class. Please let me know if I can do remote work or if there is another way to make-up work and to see if I can be excused for this period

Thank You,
Mayur Suresh
