The lecture will be recorded and posted on D2L. It is your own responsibility to catch up or submit any assignment and take any test (also online).

Oh I am sorry Professor I got it mixed up with CSC 535-01 which I am taking with you this fall. The only thing that was a mistake in this was the course number.

I am very sorry about that. The rest is valid.

Good Afternoon Professor,

I am currently enrolled in CSC 472-02 for the fall semester.

Due to circumstances, I am under the transition of changing my visa status from a H-4 to a F-1 visa. For this I need to go back to my home country and get it changed. This is urgent and the only available slot/appointment time for this is between August 29th and September 10th. Due to this I am going to be missing the first few weeks of class. Please let me know if I can do remote work or if there is another way to make-up work and to see if I can be excused for this period

Thank You,
Mayur Suresh
