Hi Mayur,

Thanks for letting me know. We can definitely work something out; I may have to simultaneously Zoom the class as well, so if you can be present online that would work. Otherwise, I can have you do the readings and submit some short responses while you're gone. We can figure it out!

Let's touch base again in August when I've finalized the syllabus and you have all your plans set.

Thanks,
Dr. Di Giovine

Good Afternoon Professor,

I am enrolled in MST258-01 during the fall semester.

Due to circumstances, I am under the transition of changing my visa status from a H-4 to a F-1 visa. For this I need to go back to my home country and get it changed. This is urgent and the only available slot/appointment time for this is between August 29th and September 10th. Due to this I am going to be missing the first few weeks of class. Please let me know if I can do remote work or if there is another way to make-up work and to see if I can be excused for this period.

Thank You,
Mayur Suresh
